

The Certainty of Investing in a Well-Established international Logistic Company

A fantastic opportunity to take over this reliable and well-established freight forwarding logistic company/business.

Market overview: Logistic market reports have approved the tremendous growth of logistics for years and anticipated hype in the future, highlighting that logistics are a safe future investment.

Business key strength:

1. This most trustful logistic business was established in 2007.
2. Significant growth over years, even when staff were working remotely during the COVID.
3. Sales Revenue 2022 is over 7 million with a net profit of over 1 million.
4. Large and strong third-party transport and warehouse network
5. The business has no territory restriction. Work from anywhere or in any country.
6. diversified blend of work with a great list of long-standing and loyal clients/ agents.
7. The vendor is looking to sell due to retirement. And he is happy to offer an extended handover and or training period for a smooth transaction.
